Family- No Home, No Car, No Money...

THE SMELL OF HOME

After moving out of our apartment and storing all our personal belongings we headed for the U.S. We arrived safely in Arkansas on Thursday, May 25th. When we stepped off the plane we immediately noticed the delicious smells of a nearby food court. I had forgotten just how good America smells.

LISA UPDATE

Lisa will be having surgery on June 12th. Please pray for her and for our entire family as she recovers. I'm not sure how we will function without her.

It will take all of us and some outside help to do what she does on a daily basis. So please pray for her quick recovery.

CLIFFORD UPDATE

When we left Russia, Clifford (the big red van) was still in the shop. After waiting nearly 6 weeks, I finally received my parts and the mechanic found another part that needed replacing. That meant another 3 week wait. In the meantime a huge chunk of ice fell from the garage roof and caved in the roof of the van and shattered the windshield. A good friend of mine is overseeing

the final repairs and we hope to see Clifford up and running when we get back to Russia.

REJOICE IN TRIALS

While taking public transport in the absence of our van, I had my wallet stolen. I lost \$250 in cash, my driver's license, and all my ATM and Credit cards. But God has been too good to us to complain about such small things. I love my life and thank God everyday for the blessings he has given me. Please pray that the pickpockets will read one of the tracts I had in my wallet.

Prayer Points:

- For Lisa's upcoming surgery.
- For more Russians to become bold evangelists to reach their countryment.
- For us as we follow up with the many that received Christ and heard the Gospel during our World Record Shows.
- For us to be able to raise \$2000 more in monthly support to be able to meet the rising cost of living in Russia.

Ministry- World Record Evangelism!

EVANGELISM SEMINAR

On May 11 we completed *The Way of the Master* evangelism seminar. Students learned to do evangelism the way Jesus did and then each week we went out on the streets to use what we were learning.

On May 9th Russia celebrated Victory Day and we took bags of camouflage Bibles for Soldiers and hit the streets to talk to men in uniform. Most soldiers loved the Bibles and we had a lot of great spiritual conversations. *At one point I even had a spiritual*

conversation with two Muslim soldiers. It is our hope that the Bibles and the Gospel that we shared with soldiers on May 9th will lead to victory for them on Judgment Day.

WORLD RECORD SHOW

May 13-24 we hosted a team from the US. The team included members of North Richland Hills Baptist Church, **Bruce Crevier**, the 4-time world record holder in Basketball Spinning, and **Mike Craine**, the 5-time world record holder in Kung-fu. *We held exhibitions all around St. Petersburg.* Bruce and his sons did basketball tricks and rode unicycles and Mike would chop vegetables off of people. Once I even got "volunteered" for this dangerous stunt.

Praise God we were

able to hold performances and preach the Gospel in major pedestrian areas without any permission from the government and we had no trouble with police! Many accepted Christ, and scores of others indicated that they would like find out more!

Thank you for your part in making this possible!

God bless!

Shaye, Lisa and Kids

Thank you for supporting Russian Missions!
