Please Pray:

- For the safety of our family as we minister in St. Petersburg.
- For the necessary finances to live and work in Russia fulltime.
- For openness to the message of the Gospel among Russians.
- For Russian believers to be equipped to share Christ throughout St. Petersburg.
- For God to raise up Russian leaders to carry on the work.

Who are The Fountains?

Missionaries in St. Petersburg, Russia since 1997

Why Are We Here?

We moved to St. Petersburg in 1997 with a vision to saturate the city with the Message of Salvation. This would prove to be a bigger job than we ever imagined. Russia is a vastly unreached country with **less than 1% claiming faith in Christ.** We want to make that 100%!

Our Goal

To share the Gospel with every one of the over 5 million Russians in and around St. Petersburg. One way we do this is by printing and distributing Gospel tracts. These tracts travel cheaply, can go places no other missionary can, and speak any language without an accent. They work 24 hours a day, never get tired, and will be around when all other missionaries have gone.

The single greatest need in Russia is Evangelism!

Our Vision

To teach and equip Russians to share their faith effectively and biblically. In our **EVANGELISM SEMINARS** we teach Russians how to successfully discuss eternity with anyone they encounter. We also equip them with good materials to work with. The **GOSPEL TRACTS** that we produce are high-quality, interesting, and biblically sound. ***Our tracts get read, kept, and shared.***

Russians are actually excited to give them out. And for the first time they are beginning to share their faith without fear.

What Else Do We Do?

When we are not teaching evangelism we...
-lead worship services
-teach Bible studie
-hit the streets ourselves to talk with people about Salvation.

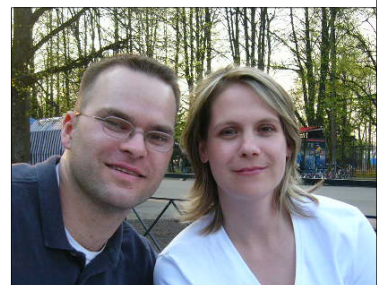

Sometimes we run across those who have already received some of our literature and have been thinking hard about what will happen after they die. This makes it so much easier to lead them to Christ and has confirmed to us time and again how useful these tracts are and how badly this ministry is needed.

How Can You Help?

In order for this work to succeed we need a team of ministry partners who will support us with prayers and finances so that we can live and minister in Russia full-time. We have been so rewarded in this work and we want you to share in that personally. When you pray or give to the financial support of this vital ministry you are directly involved in reaching Russia. **We are entirely supported through voluntary monthly donations from churches and individuals like you!** Russia is a place with very little Christian influence, but with your help and prayers God's Word will reach the hands of millions of Russians, penetrate their hearts, and their lives will be changed forever by His love.

Serving with you,
Shaye & Lisa
