## Family- Recovering, Working, Playing

### LISA SURGERY UPDATE

Praise God, Lisa's operation went very well. I was a little anxious because the hysterectomy procedure lasted two full hours, but when I finally spoke with the doctor I was quite pleased. She was able to do everything that needed to be done and make some minor repairs that will greatly help Lisa's recovery. I am happy to report that she will not need to take any long-term medication as a result of the surgery.

I want to thank all of you who fasted and

prayed. Thanks to those who waited with me during the surgery and to those who emailed notes of encouragement. You are a huge support to us.

Lisa was in the hospital for a few days after surgery, but is now home and feeling much better. Please continue to pray for her as she heals over the next several weeks.

### BRITTANY'S NEW JOB

Brittany has spent most of her time this summer working at a local Harps grocery store. She was a little upset at first because it seemed she was always working and missing out on

fun activities with her friends. But once she received her first paycheck, all that changed. Now she looks forward to work and especially to payday.

### CRATON

When he's not playing basketball or some other sport, he cuts grass and does odd jobs. It's a perfect combination for him.

### ANNA, CHASE & ZANE

These three spend all their time playing, hanging out with friends and getting spoiled by grandparents. What a life!

*Please pray that God would bless our time in the US.*

## Ministry- New Support, New DVD, New Giving Plan

**Prayer Points:**

- That Lisa's recovery from surgery would go well over the next several weeks.
- That our families time in the US would be blessed.
- That the churches and families we visited in Indiana would follow God's leading as they consider joining our monthly support team.
- That God would fill our schedule with appointments to share this work with as many people as possible this summer.
- That God would direct us to those He is preparing to support this work.

### TRIP TO INDIANA

In June I traveled to Indiana and visited with 4 churches and several families. I had a great time sharing about what God is doing in St. Petersburg and everyone treated me so well. We have one supporting church in Knox, Indiana that hosted us and has decided to increase their support of our church plant in Russia. The other churches we presented the work to expressed interest in becoming regular supporters. We are excited about the possibility of God

using these churches and families to help us reach our support-raising goal for the summer. We know God has called us and we believe that He will supply through His people.

### NEW DVD AVAILABLE!

We now have a new Ministry DVD available free to anyone that would like to know more about this ministry. The DVD has a 10 minute video introduction to our work as well as an optional 5 minute abbreviated version. The DVD menu also contains contact and support information. This DVD is the perfect tool to use to share this work with a mission minded church or family that you know. Please take advantage of this free offer to let others know how God is moving in Russia.
